Subject:	RE: Special Use Permit

Hi Jill,
With Coastal Commission's (CCC) agreement, the project was excluded from the Coastal Permit procedure. However, the CCC Staff indicated that they still have the ability to appeal a project excluded from the coastal procedure, which is something they are dealing with another City currently. So I agreed to issue a Notice of Decision to the Coastal Commission, which was done, and they did not acknowledge receipt until yesterday. This means that they will also issue a Notice and run their 10-day appeal period, which will end on June 20th. I double checked the City's Code this morning and will not be issuing a separate Final Notice of Decision as it is not required.

Sincerely,
So Kim, AICP

Hi Jill,
Nope. However, I will be sending out a final NOD to the Coastal Commission tomorrow.

Hi So,
Were any appeals filed for the approval of the special use permit for the container?
